Blue's Clues Discovery Series

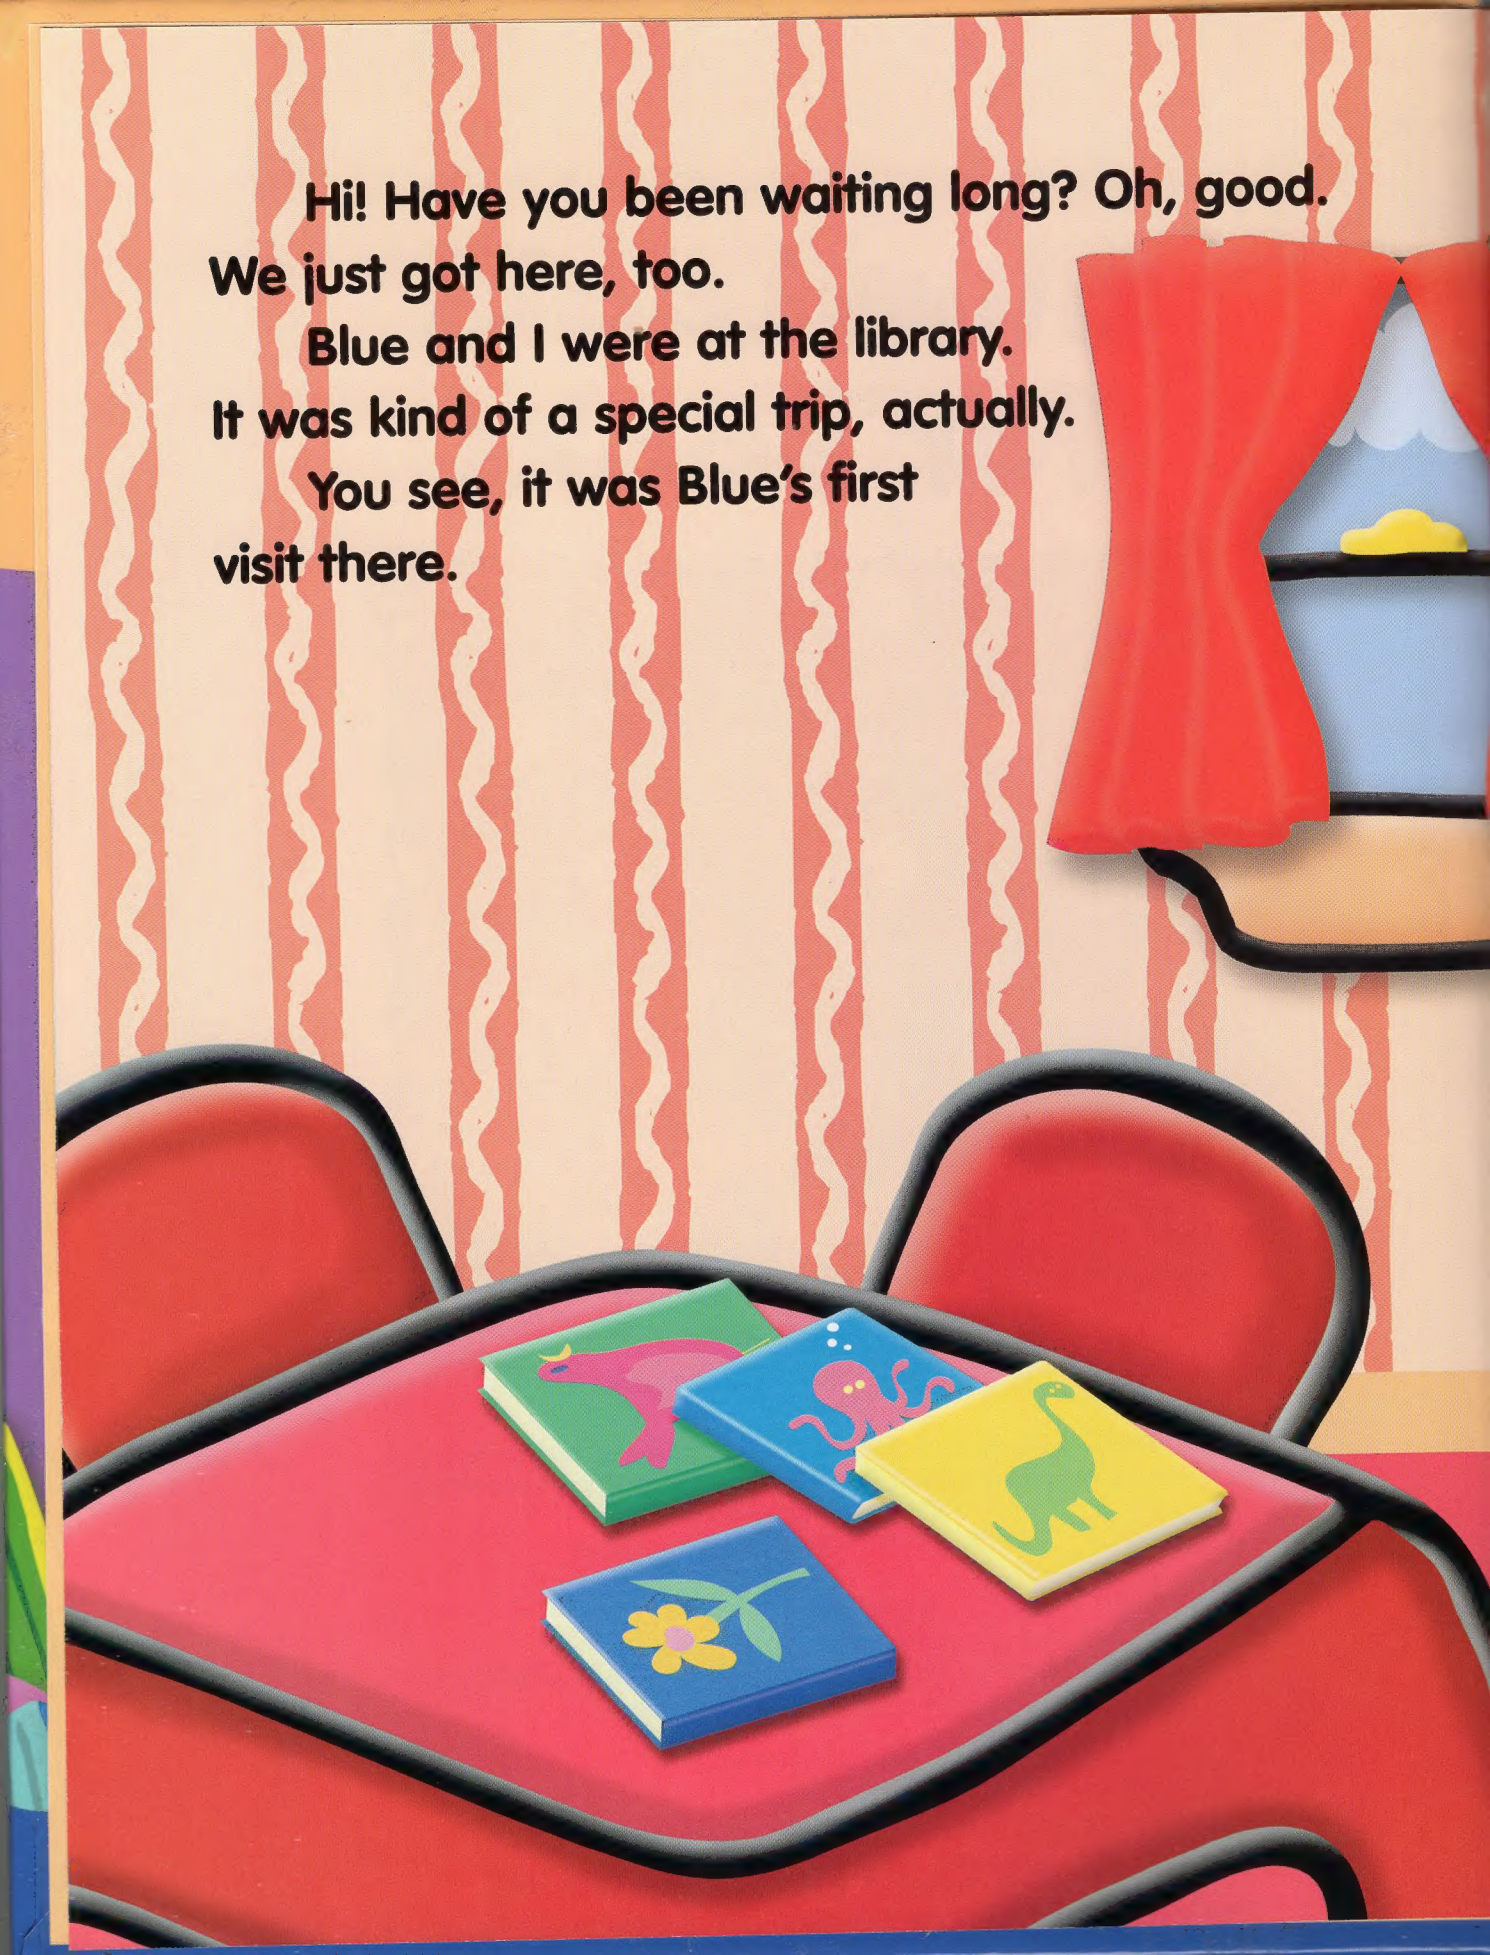
Hi! Have you been waiting long? Oh, good. We just got here, too.

Blue and I were at the library. It was kind of a special trip, actually.

You see, it was Blue's first visit there.



We borrowed some great books, didn't we, Blue? I wonder where we should put them so they don't get lost. On the bed? No. In the refrigerator? Uh-uh.

Oh. Maybe we can put them on top of the bookcase for now? Yeah!

There! Thanks for helping me put the books away.

So Blue, what should we do now? You want to make something to use with your books? What do you want to make?

Oh! We can play Blue's Clues to figure out what Blue wants to make to use with her books! Will you help us? You will? Great!

Hi, Blue! What have you got there? A book about fish. Cool!

Hey, I have an idea. Let's see what kinds of books our friends like to read. We can start with Tickety.

Hey, Tickety is reading a counting book. Cool!
What's that? You see a clue? Good job!
What is it? Oh. It's the page of that book.
Hmmm. So what do you think a page has to do with what Blue wants to make?

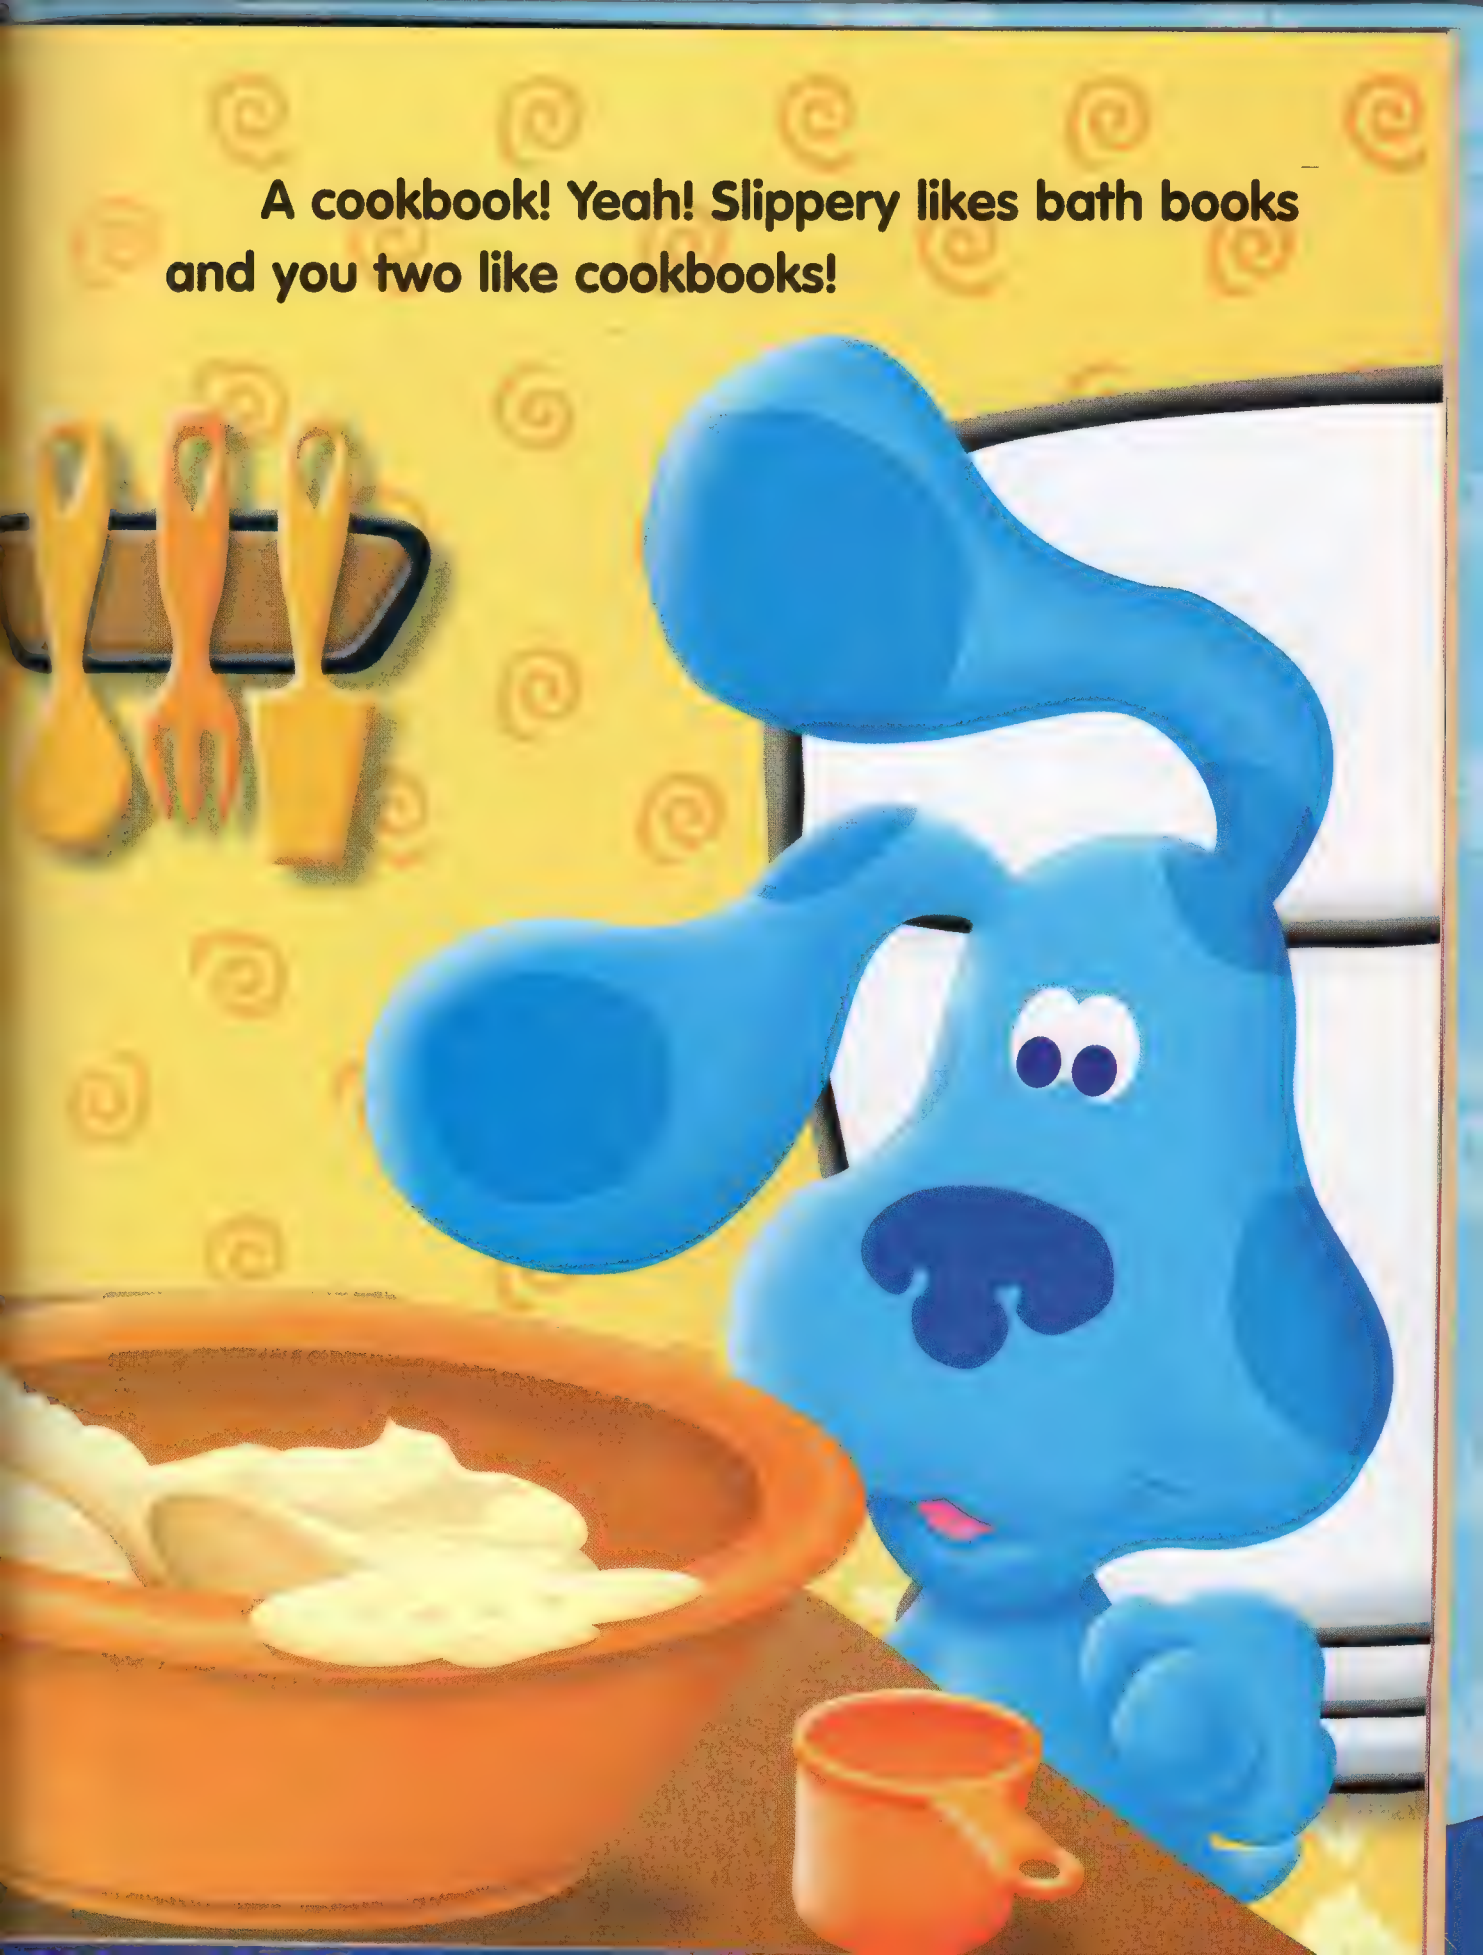
Do you think we need more clues? Yeah, me too.

Hi, Slippery! What are you reading?

A bath book, huh? Cool!

Hi, Mr. Salt and Mrs. Pepper. It sure smells good in here!

A cookbook! Yeah! Slippery likes bath books and you two like cookbooks!



Hey, look! Paprika has a book, too!

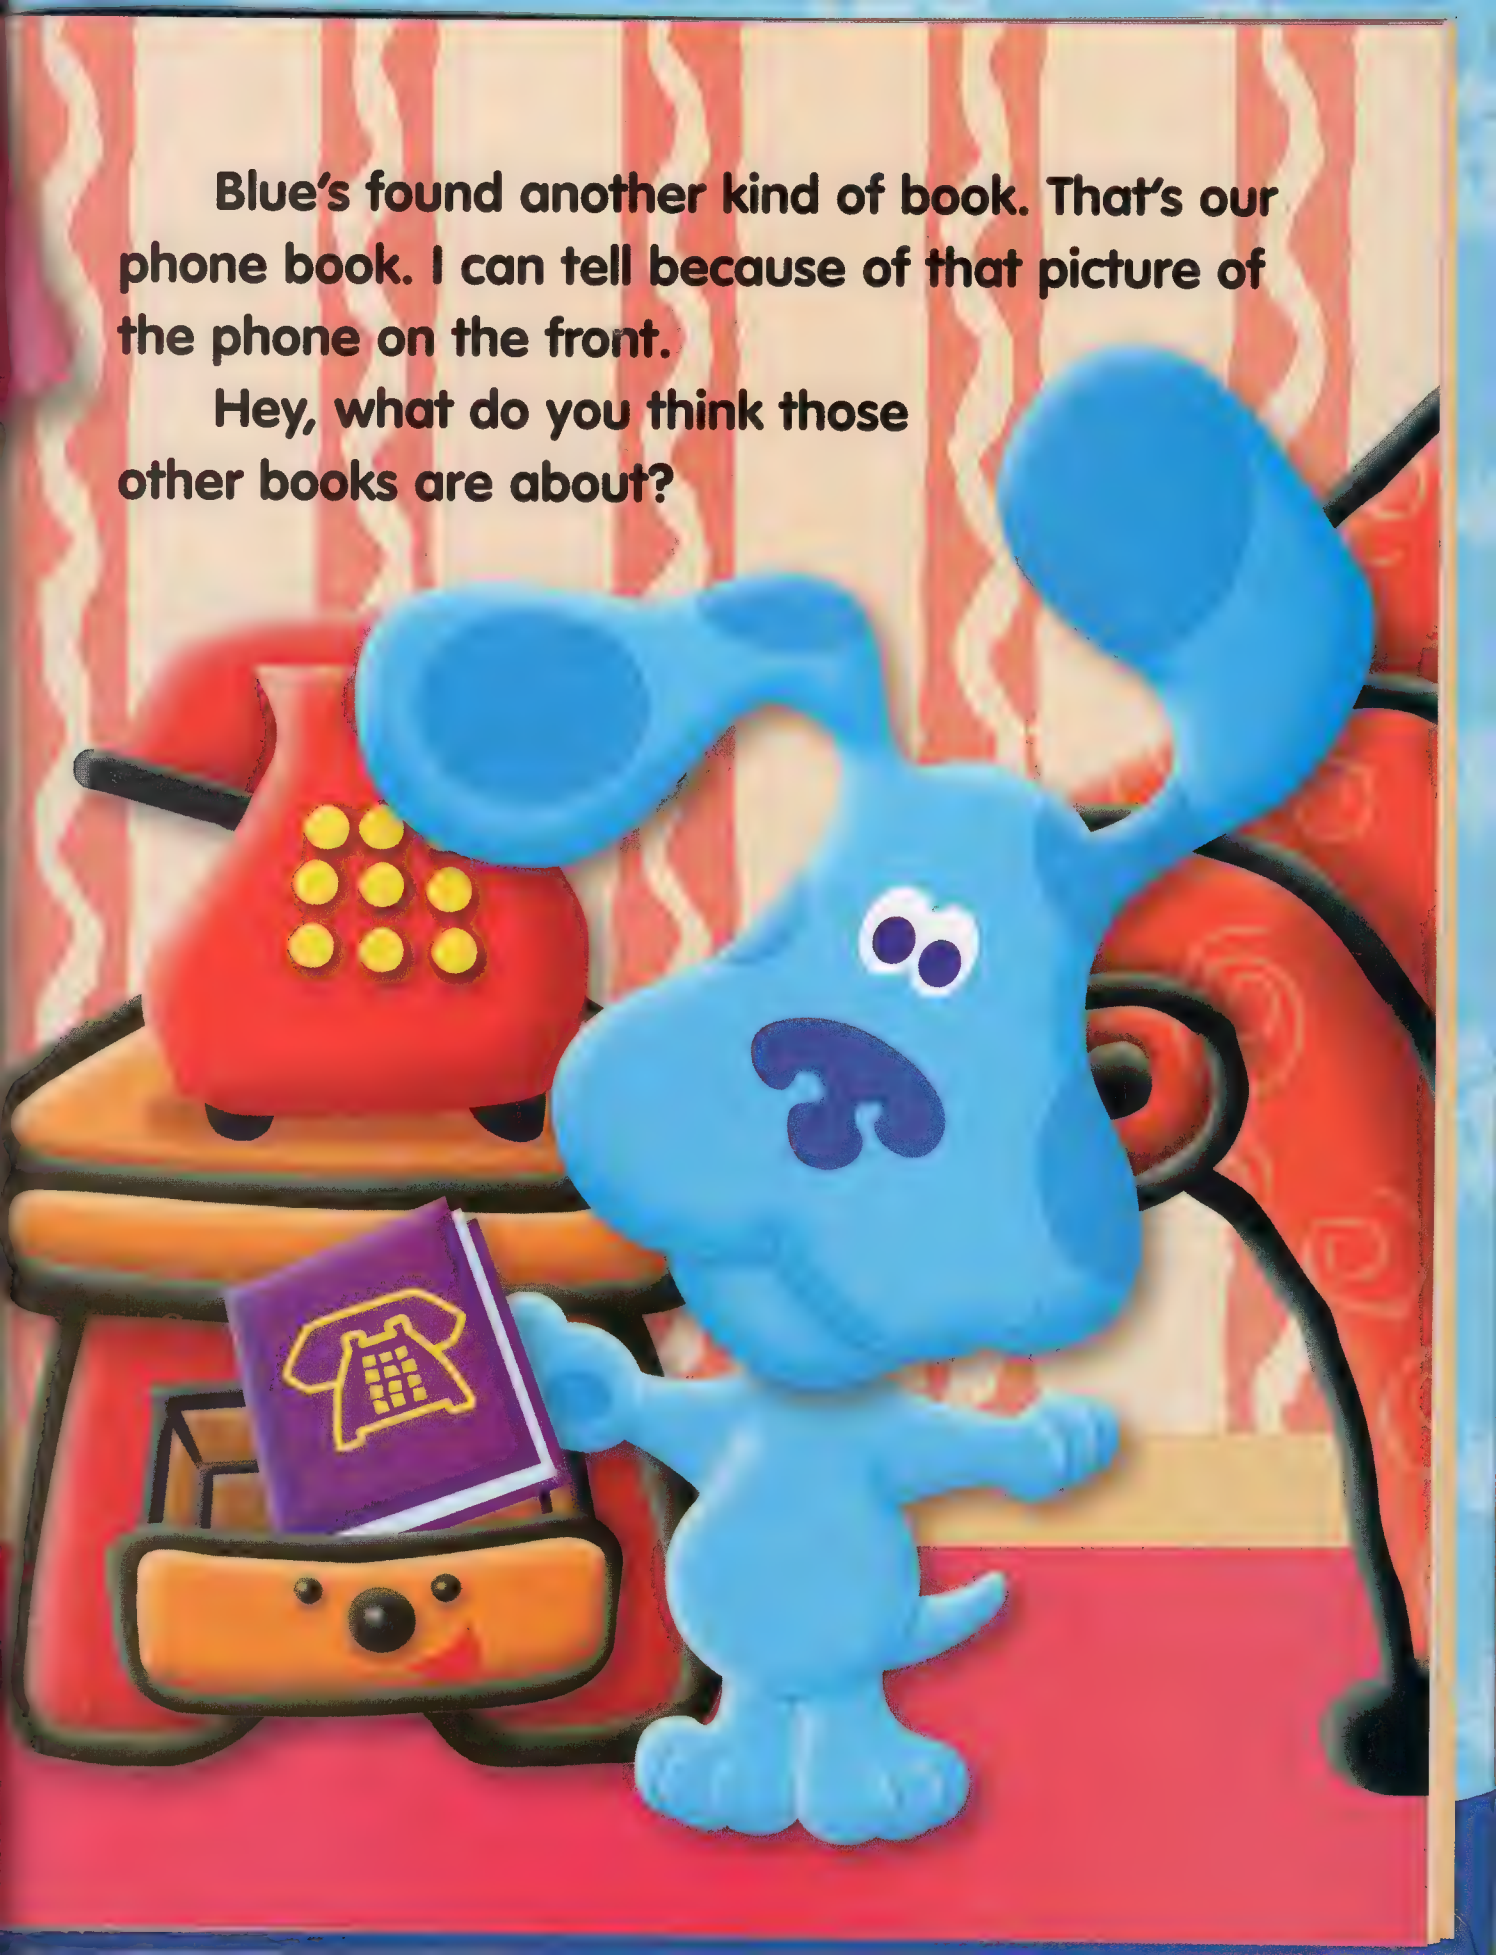
A book you can read and feel. What a great book! Thanks for showing us, Paprika.

Hey! Want to check out the living room for other kinds of books? You do? Oh! You see a clue on the art table.

It's a rectangular piece of cardboard. So our clues are a page and a rectangular piece of cardboard. Hmmm. I think we need to find our last clue.

Blue's found another kind of book. That's our phone book. I can tell because of that picture of the phone on the front.

Hey, what do you think those other books are about?



I'll just put these books back where they belong. What's that?

You see a clue? Oh! It's a tassel. That's our third clue!

You know what that means, don't you? It's time to go to our . . . Thinking Chair!

So our clues are a page, a piece of cardboard, and a tassel. What do you think Blue wants to make to use with a book?

That's it! Blue wants to make a bookmark to use with our books! We just figured out Blue's Clues! Thanks for all your help today. So long!
